Borrowing Gear

14th VIC Werribee has a supply of hiking equipment which is available to be borrowed. There is more gear available than will be required by the Werribee boys and so this will be made available to members of other companies.

14th VIC Werribee has: backpacks, stoves, gas bottles and tents.

Please notify Alex Richardson as soon as possible if gear is required.

Safety

There are many safety precautions taken to ensure that our hikes are a safe environment.

Epirb – an emergency beacon is carried with us

First Aid Kit – is carried with us

Risk Assessment – completed before the hike takes place

Consent Form – Each boy must have returned a consent form before the trip

Medical Info – Each boy and officer must have submitted relevant medical information before the trip
